# From the Headmaster

Our community suffered shock and profound grief on learning of Addy Pathak's tragic death in June.

Addy was a talented student and athlete. As a citizen of our community, he was the epitome of what we expect from a fully engaged and positive contributor to school life. He earned the respect and admiration of his teachers and peers for his work ethic and intelligence.

All of us, but especially his friends, will miss his loyalty, his delightful and playful sense of humour, his remarkable ability to look at the bright side and to put things in perspective.

We are deeply saddened by his passing and as an expression of sympathy to his family, and on behalf of the entire Selwyn House Community, it is my honour to dedicate this yearbook to Addy's memory.

# SHS Lifers

11 years is a long time to stay together. The 10 students above started school at Selwyn House 11 years ago and have remained together ever since. Congratulations to (from top left to bottom right):

**Mohsin Aziz, Jonathan Bloomfield, Luigi Caprio, Patrick Johnson, Richard Kwee, Lawrence Lin, Martin O'Donovan, Thomas Spencer, Nuno Tang, and Nicholas Tsoukas.**

## MOHSIN AZIZ

Firstly, I would like to thank my parents for the 11 years of support and help they have graciously given me. My time at Selwyn House has not been easy, but I am very thankful that they gave me the opportunity of a lifetime. Without them, I don't think I could have made it this far. "Rafting" gave us all an opportunity to come together as a group. The great days in English, French class antics, the left side, Senior Basketball, Chinese food in Toronto, Lennoxville. Filling the bus up with gas. To my friends, Matt Litvack, Bust, Bloomy, Taubs, Luka, Manny, Dylan, Arun, Spencer, Jon E, Tsouk, Louis, Dimitri, Rigby, Miguel, everyone in 11A, all of Sr. Basketball, all I can do is thank you, because without your presence, it would have been nothing. Friday nights with Litvack, Bust, Arun and Bloomy, Twix Four... Luka and Manny, without you guys, 11A would have been really boring. Low math guys, Ahibou, Alexis, Taubs, Jon E, Jazz, J-G, the struggle is finally over. During the years of my education, I am proud to say that all my teachers have been excellent. Mr. Nicoll, Mr. Wearing, Mr. McBride, Mr. Shannon, Ms. Biggs, and Mr. Litvack, you have all given me great insight and I am eternally thankful. Class of 2003, I wish you the best of luck, and I leave you with this,

"The journey is the reward." -Taoist Saying

## JEFF BARKUN

These last five years of my life have been filled with both high and low spirits. I remember the first time I walked in, wearing the full dress, with terror circulating through my body. That sensation slowly dissipated to a happiness and appreciation that I now hold. I want to thank my parents for allowing me to attend Selwyn. The Downey brothers for the hyperactivity and excitement you bring to science and life. Mr. Shannon, for all your mysterious disappearances and humour. Mr. Steve Mitchell and the Boyle brothers for the welcome, interest and all those unforgettable golf trips. "Got Milk", Mr. McBride, Mr. Litvack, Ms. Von Eschen, Mr. Phillips, and Ms. Wong for being great to learn from, and to talk to, and putting up with our grade. Next I want to say congrats and thanks to all my best friends: Lawrence, Corey, Burner, Miguel, Ben, Grover, Tauben, Patty, Wybo and Nuno. Without you guys life would've been a bore. All the classes and times we spent together, fooling around or working hard, are a great part of my memories, good luck to you all. We accomplished great highs and new lows, but it's all good. Now as we move into CEGEP and beyond, the real fun begins. "So I guess, hello world." Tiger Woods.

## JOHN-ALEXANDER BASTIEN

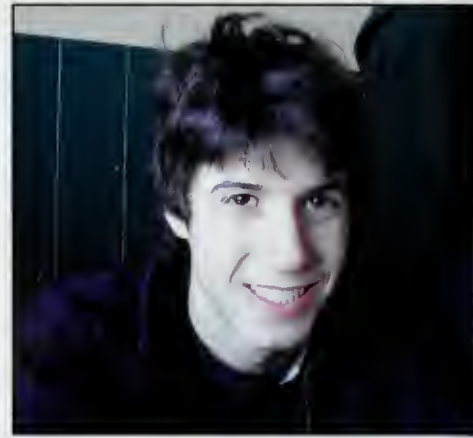

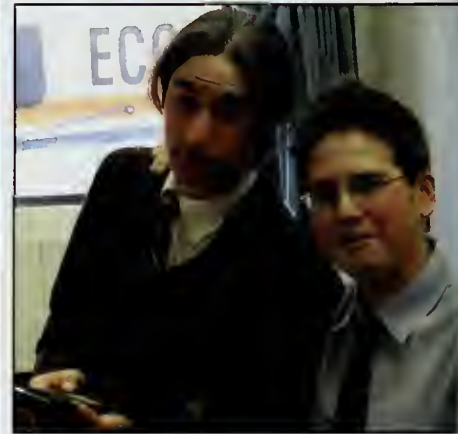

## SEAN BERNSTEIN

It's safe to say that after five years at "da House", my Selwyn career is over. From the great days of the Miskelmizer in grade seven, to the fun filled classes with McBuffalo, the good-times train eventually has to stop. Alas, it's been a good run. I can't really complain, (even though I do). A special thanks to my parents, and bro Hayden, who helped pave the road for Selwyn at its best. It would not be appropriate in my leaving to not salute those great compadres, who, for five years, stood by my side through the best and worst of times. To my man Fish: "If the South should ever rise again, I know you'll be at the helm!" Grover: those world cup matches at Champs were 2 good 2 resist! Ricky: I'm sure you'll make it to Wimbledon some day. A great kudos also goes out to those teachers who just made the time fly, kinda. RW, it's safe to say that school life would never have been the same without you. PL, never forget that you, many a time, are the only reason why I ever passed math. And Finally, Biggsy. Ms. Biggs, the advice and work you invested in me will never be forgotten, whether I speak at the White House or a Street Corner, you'll be there. Finally, to "Les Boys" from the House who suffered from winters and construction, failed tests and lunches: I'll see you all at the ten-year reunion! L'chayim

## JONATHAN BLOOMFIELD

It is hard for me to realize that my 11 years at Selwyn House are winding down to an end. I would like to thank my family for supporting me. Mom and dad, you were always there for me, and Andrew and James, you guys are my best friends. This school has meant so much to me. I would like to give special thanks to KB, KVE, PS, PL, AL, TJN, RW, TD, RG, MD, McB, BB and LM. There are so many memories that I would like to remember: Stratford, Peris and Antoine, what a crazy night we had while Phil was sleeping. Rafting and all those other great trips from elementary school: Classe Rouge, and Ottawa. B-Ball Trip to Toronto, Luka you missed out on the Chinese food. To all my friends I will never forget our night's downtown, partying/slumming in the park, all those crazy times we had with even crazier people. To Tom, best friends for life, and downtown comrade. To Mess Hall on Fridays with Antoine, and monops and Twix Four with Tosh and Bust. To Sam and Mike - My Jewish crew/ Fellow Marchers (I will always remember the CBB wknd), Mike - cousins first. Also much love to JZ, JWPM, AV, JM, LC, NT, JT, JM, DM, RK, NT, and CZ. Now as it is time for me to go, I am overcome with nostalgia, and words escape me, so I leave you with this quotation: "A journey of a thousand miles begins with a single step." - Confucius

## JUSTIN BOURKE

I never thought I would make it this far. I guess it is true that you can do whatever you put your mind to. I want to thank all the teachers for the time and energy that they put into me; it wasn't wasted. Mr. Shannon, you were a great person and an even better English teacher. Mr. Nicoll, your knowledge is so expansive, I want to thank you for sharing as much of it as you did with me and the class. Ms. Biggs, I want to thank you too. I really want to thank all the friends I've ever had at this school, you guys were great even when I wasn't. I have so much to remember and so much to show for myself, all thanks to this school. The class of 2003 couldn't have been any better; I wouldn't change it for anything. I want to thank my mom for always being supportive, and my dad for always pushing me to do better. I will never be able explain why I had a good time here, because it was all so confusing. I remember the first time I stepped into this school not knowing what lay before me. Now that it has all unraveled, I've realized that it was really worth my while. Goodbye guys, you were great.

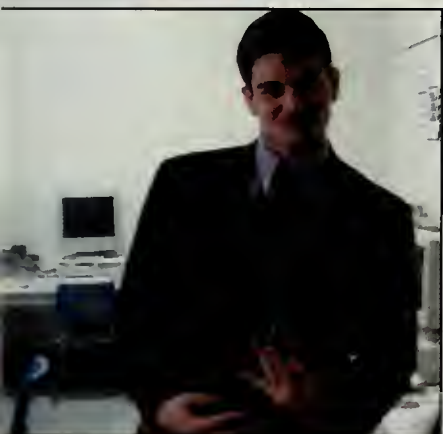

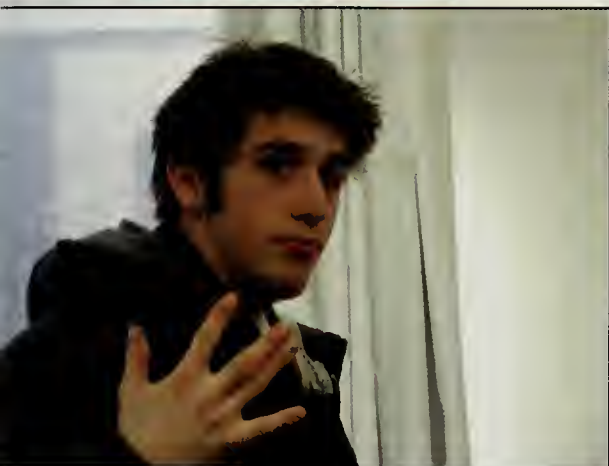

## DANIEL BUDD

"And In my hour of darkness she is standing there in front of me, speaking words of wisdom: let it be." Is it finally true? Are we finally graduating? It seems like only days ago I was discovering the school as an unknown grade 7. I need to start by thanking my parents, whose support and help I couldn't do without. Also my older brother Noah and my sister Jillian who have been best friends to me forever. Without their help and support I would never have gotten as far as I did. Thank you for everything. As well I owe my success intellectually at Selwyn to my many teachers: KB, PS, RG, RN, PL, BG, CB, BM, LP, and so many more. LC: Co-editors!! MO: Alleys!! IC: Ur da best: JB, CZ, LS, JG, MB, LL, JT. It was a close call, but I made it: NG 2002. These 5 years have been the experience of a lifetime. You've got to get yourself together, you've got stuck in a moment and now you can't get out of it. To every grad 03 remember: Whatever tomorrow brings I'll be there, with open arms and open eyes. Remember who you are. True friends will be there forever: Understand others and you will understand yourself.

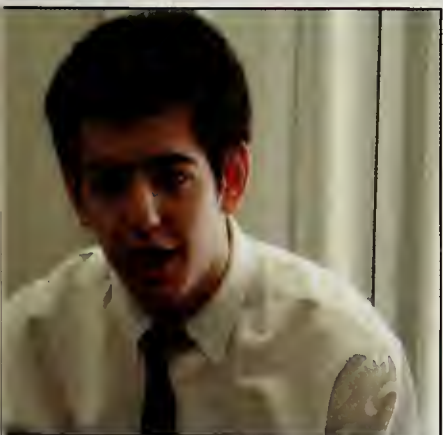

## MIGUEL BURNIER

10 years have passed and I managed to get through them all. A decade anywhere is a long time, I am glad that they were spent here at Selwyn. To all my friends that stuck by me even when times weren't that good, I don't think I would have made it without you guys. Also thanks to all the teachers that put up with me, and showed up early or stayed late to help me. To all my coaches that did not just teach me how to play the game but also much more. Finally thanks to my family. Mom and Dad, thanks for always standing by me and encouraging me through anything that I wanted to do. Caro, Eugene, and Julie thank you for spending the time to help me with any questions I had and not letting me get away with a half-fast job. Even though I probably said hundreds of times "I can wait to leave", I will truly miss Selwyn House more than I ever expected. To all my fellow graduates I wish you nothing but the best in your futures.

"It's not the size of the dog in the fight, it's the size of the fight in the dog."

## LUIGI CAPRIO

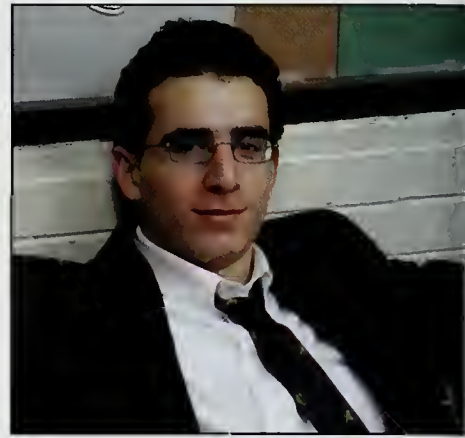

"Hard days made me. Hard nights shaped me. I don't know they somehow saved me, and I know I'm making something out of this life they call nothing." Wow, I can't believe its time for me to write this already. So many people I need to recognize. Let me start off by thanking my parents, who without I obviously wouldn't be here, and my little sisters Gemma and Maria who always lighten my face with a smile. You helped me get through the hard times and were there for me no matter what. I love you guys and thank you for everything. So many teachers I have to thank that made my Selwyn experience a great one. Without saying I have to thank Mrs. Snable and Mrs. Krushelnyski, who while at school felt like parents... I have too many teachers to thank but I'll try: DW, JL, PP, MR, JP, LM, KB, PS, PL, AL, BG, and too many others to name. DB: Selwyn Editors, COMMON ROOM! JB, LL, NT, MA, PJ, NT, RK, MO, TS. 11 years it's finally over! For what it's worth, it was worth all the while. I hope you had the time of your life. To all the rest of 02-03: If you ever get the feeling you can't go on. Just remember whose side it is that you're on. You've got friends with you till the end. If you're ever in a tough situation we'll be there with no hesitation. Brotherhood's our rule that cannot bend.

Sow a character, and you reap a destiny."* – Charles Reade

After seven memorable years, an important chapter of my life comes to a close as I complete my Selwyn House experience. There are some people who must be thanked for helping me to reach this milestone. I owe many thanks to my loving and supportive parents for always giving me encouragement and advice. There are so many teachers I want to thank (AL, BG, PL, LM, PS, KB, TD, MD, CB, JW, DP, and TJN), whose knowledge and dedication enabled me to reap the benefits of a Selwyn education. Special thanks go out to Mr. Ivanovici for making the annual plays the highlight of my senior years, and Mr. Moffat for whipping me into shape in rowing. You have all prepared me well for the future. I will always cherish the friendships I developed, especially those within the Calculus Crew®. Best of luck to the class of 2003 in their future endeavours. "As for your future, your task is not to foresee it, but to enable it."

## GEOFFREY DYCK

It was tough, but Geoff agreed to sit and talk about his stay at Selwyn. GQ: So let's start things off with a heavy one: apart from academics, Selwyn, what will it mean to you down the road? GD: If my memories of Selwyn curl and yellow in time, they will never fade entirely. Rather, the indelible ones, the ones that matter, will weave themselves in my subconscious anxiously waiting to influence my post Selwyn endeavors. GQ: Wow, that's deep, let's lighten things up: travel, was it tough? GD: (laugh) yes. I stepped on the train each dawn, 7am, 100 postal codes and six cities away. Five years later, still 100 postal codes but one city: I feel considerably more the norm. GQ: faculty? GD: The faculty at Selwyn is great. Miss Palko for taking me under her wing in grade seven, Ms Biggs for having the most unbiased opinion on her students and being such a sweetheart, Mr. Nicoll for listening and considering an opinion others would likely dismiss before they contemplated it (get well), and Miss Wong for keeping me grounded. GQ: You sound lucky Geoff, but are your peers equally considerate? GD: Are you kidding me?! Have you even talked to a Selwyn boy?! Of course! We are molded from an early age into "superhumans". No women can resist our charm, no parent can believe our courtesy, and no man can rival our beauty. GQ: How 'bout some shout-outs. GD: Hey, I'd like to thank Jonny, Eman, Taubs, Zum, Rig, JB and my Sister, Mother and Father especially.

## MATTHEW FIRESTONE

"Well, it's been a long four years at Selwyn House, but what four great years it has been. When I arrived in grade eight, I wasn't sure whether or not I would be able to succeed in a new school with new friends, a difficult curriculum, and a second language I barely spoke. But everyone was friendly, the teachers were more than helpful, and in the past four years I've come a long way from the quiet kid I was in grade eight. I wouldn't be graduating were it not for my parents who always drove me to work hard (my younger sister to), my teachers for always helping no matter what the question or problem was, and the good friends that I've made over the last four years at Selwyn. So I'd like to thank all of them for helping me succeed in Selwyn and whatever the future holds in store."

## SAMUEL FISH

5 years at selwyn have come and gone in the blink of an eye. So many memories, so many people to thank: teachers, coaches and friends. countless trips: spain/morocco with NAC and DP, bruins in van city, t., st. johns, boston, stratford, rafting... grove daddy- ur in love with the world, c'mon reggie, grmasally, bermer- mol, norf carolina, tony, u beat me to lacordaire, not to poland, world cup= go croatia, u comin to watch cricket? jz- go russia. cz- sigfig. es, tr-downtown? zg-oregon, haha, u must be kiddin. jb- cuddle bug. dj, jz. jwpm, an, nt, mb, ak- knockin in the morning. ya'll are incredible. Last but not least, mom, pops, thanks for putting me through selwyn, and all my sibs, u guys put up with me day in and day out, and not because you like me, ya'll are the greatest. as to the rest, hopefully ill see ya'll at the the 50 year reunion. im out.

## BENJAMIN FOMBONNE

Even though I have been at Selwyn House for only two years, they have been some of the most memorable years of my life. Many teachers have influenced me, taught me so much, and must be recognized. First of all, Ms. Biggs, thank you so much for making me appreciate and finally understand grammar. Mr. Litvack, for your patience and skills in helping me with 436. Without your help, I would not be graduating. The Downeys, for your incredible talent in making science even more fun. Mr. Glaude for his excitement and humor making Histoire a bit hearable. Ms. Von Eschen for helping me with math this year and for making me realize the benefit of doing homework. Also thanks to these students: Mike W, without your help, I would not be passing physics and chem. RK, for being my lab partner all year. TR, you owe me over \$150 and all the laughs in French. N Tsoukas, for the fun in English (Hamlet) this year. N Tang, para la musica diep!!!! All the fun in Vancouver, Bishop's, and Toronto. CZ, for being the coolest GR.11 in Band. Finally, I would like to thank my parents for giving me the opportunity to study here, for their support and for giving me all the things needed to excel here. To my brothers, thanks for your help. Finally, to all the Grade Elevens, Good Luck in the Future, and keep in touch.

Yesterday is not ours to recover, but tomorrow is ours to win or lose—Lyndon B. Johnson

## JOHN GALARDO

I had a great time over the past 5 years. I learned a lot of new things that will most probably help me to succeed in the future. Even though I never gave a 100% effort it was still worth paying 50,000\$. You never know someday I'll be in Hollywood. I'd like to thank my family and friends for all the support they gave me.

"Maybe one day, you can visit my condo, on that big hill you know, like 90210"  
(Tiga, song Madame Hollywood)

## JOSHUA GOLDSMAN

At the beginning of every year I try to remember that this year will be infinitely easier than the next. This is indeed how I began all my years at Selwyn House. Yet, somehow this year I find myself forgetting this optimistic view of high school life and complaining about how cumbersome the workload is. Finally, I am ready to leave Selwyn House. Having reached the end of these five long years, I am now left with a new perspective on life. I begin to realize that no matter how much work is due tomorrow, I am still capable of enjoying life thanks in part to the wonderful teachers, and my friends. I would like to thank you all for making my experience at Selwyn House a memorable one. Mom, I know that without you, I would never have gotten this far. Dad, I never could have fought through these years without your encouragement (and mediation skills). Shawn, since you were born all we could do was compete and because of that, you helped push me to do my very best. Ashley, I help you more than you help me, but in doing so, I become a better person, so hats off to you. That about sums up my gratitude and the end of a bumpy road along with it. Armed with memories and knowledge, I'm all set to tackle the new road freshly paved before me.

"No one is poor except one who lacks knowledge" - Talmud

## ZACH GREENBERG

2 years later... I've got to say that the switch to Selwyn was great. I cannot say how much this school and its environment have changed me for the better. To my family, I love you all. Mom and Dad, you have been so good to me, how can I ever repay you for the lifts to and from school everyday and supporting me. My gift to you is a cheaper school for next year. Harris, competition's over now, move over cuz I'm the champ. To my boys: Matt-Bones: T.O.'s got nothing on Mtd. I'll trade you a lift for a hockey game?! Zoollander. Sean M: you're a goofball, hockey! PJ: abcdeFREAK, you're a giant, french class. Sean B: cccchh, golf, baseball. Richard: hw calls, tennis champ-I'll beat you someday. Corey: you're awesome-nicest guy. To everyone: great times at SHS. Football and hockey were awesome, especially when we won (which was often in football). I am the fantasy hockey champion of the world! If anyone's got a problem: fight me! To all the teachers and coaches who have influenced me and made me better: MM, MD, TD, PS, KB, BM, SM, BG, BMc, CB, TN, I can't thank you enough.

It's been great here, now let's get out. Good luck to everyone.

## MICHAEL GROVER

These seven years have been long and worthy of being spent at Selwyn House School. Firstly, I have to thank my wonderful family. Mom and Dad, for your endless hours of nagging me to do my work and for restricting me from watching endless hours of reality TV. I thank you deeply because I would've not been able to successfully get through this school without your love and support. To my three Bros: Sam (Big G), Sean (Homie G) and Geoff (Lil G), I thank you for putting up with me and also for your love and support. To my other supporters: Grandma Sally, Nana, Grandpa David, Anti Robin, Uncle Kieren and little Jamie, I love you all. Now to all my other brothers (from another mother). Zalzman, you're an amazing friend, I can always trust you and I know our friendship will be forever strong. Fish (Sally), my bigger brother and most of all, a great friend. Zummer, my crazy little bud, you always make me laugh. Jwonathaaaaan, my laughing partner and bball connection. Tsoukdaddy, my prank buddy, we've had too many great times. Burner, my march buddy and Jewdiasm teacher. Jonny Bloom, my march cuz but most of all, my friend. Also to my other good friends, Manny, Abibou, and Mig da man and all my other friends. I love all you guys and you're all great friends that I will forever be in debt to. Finally to the teacher who have been my mentors: K.B, M.McM, M.D, M.M, M.B, R.G, E.P, A.L, P.L, F.K, R.M, B.McB, I owe you all my undying gratitude. Thank you Selwyn House.

## PATRICK JOHNSON

Almost eleven years ago, I toddled into Selwyn House tightly grasping my mother's hand on one side, and my father's in the other, not knowing what lay within. But after eleven years, I walk through the hallways as if they were those of my own house, recognizing the familiar faces of friends and teachers alike. Thinking back to all the events that I have experienced at S.H.S. I would like to thank: a certain few for providing the ever so needed comedic performances during eco and geo. Abibou, for all of your blunt but funny nicknames, not to mention 3x.A. Martin for all of your perceptive views on life and how it should be lived. Sean, Zack, and Matt for including me in the J-crew and for all the fun Friday nights. And on a more serious note, I would like to thank those who made it possible for me to make it through school, however many snags came up along the way. Mom, Dad, and Meags, for putting up with me all these years. My teachers, BM, ED, LM, PL, RN, and KV for showing me that someone actually cares. Coaches Maurovich and Paoletti, for giving me the opportunity, motivation, and inspiration to become the person I am today. To the class of 2003, I wish you the very best with your future endeavors.

## DYLAN JONES

What can I say about the last five years? When I think about Selwyn, the first thoughts that come to mind aren't always good. But then, I remember all the things that have made it such a big part of my life. I've had great teaching and great coaching, made it to three football finals, acted in three plays and, set a record for longest hair in the class of 2003. To the football players and the Downey brothers, thanks for three great seasons. To Mr. Miskell, Mr. Nicoll, Mr. Litvack, Mr. Glasspoole, Mr. Shannon, Mr. Govan, Mr. Wearing (calling me Daly) and all my other teachers and coaches, I appreciate all the wisdom you've given me. To Mr. Maurovich, you taught me what it means to be an athlete and I can't thank you enough for it. To Rigby, Burner, Firestone, Matt, Dimitri, Mohsin, Abibou, Arun, Manny and Jaryd, you guys made Selwyn worth while and without you there to make me laugh and to lighten me up, I don't know how I could have managed the 5400 periods, 900 school days (and lunches), hundreds of tests and dozens of exams that Selwyn has thrown my way. Most of all, I've got to thank my family for putting up with my constant complaints about everything from lunch foods to uniforms. Finally, as the year comes to a close, one quotation seems fitting: "It's better to burn out than it is to rust." Neil Young.

## ARUN KHANNA

What can I say? I guess I'm happy that all of this is done and now I have two years of nothing ahead of me. I can finally relax. Like everybody else, I thank my parents for giving their money and time so that I could have a decent education. I would like to leave you all with a little advice. Don't do today, what you can do tomorrow. Procrastination is okay. It is a good motivator. I have plenty of memories of working at 12:00 a.m. on critical essays, listening to music while I type whatever those three expect, not putting in any real thought and still walking away with an 80%. Good times...not really. Another good tip is when you're doing an assignment for Economics or Geography make it all up, because nobody really understands what's going on anyway. By doing just enough work you can graduate with pretty good marks. In order to get ahead in life you must work hard and not complain, that's what I learned from Selwyn House and for those who did make it I have no clue how they feel. Sparknotes.com thank you!

## RICHARD KWEE

After spending eleven years at this school, there have been some unforgettable moments for each year. First of all I would like to thank all of those who helped me throughout the years, especially my family. Eh, Robbie, thanks for keeping me in touch with the outside world. Mom, I know it's a pain for you to drive me to tennis during rush hour after school; I appreciate it. And Pop, making my education one of your top priorities means a lot to me. I would also like to thank the teachers that made my Selwyn House experience memorable. And finally, to my friends. I express my deepest gratitude to those who have helped me accomplish my eleven-year stay.

There is a tide in the affairs of men,  
Which taken at the flood, leads on to fortune.  
Omitted, all the voyage of their life  
Is bound in shallows and in miseries.  
On such a full sea are we now afloat  
And we must take the current when it serves,  
Or lose our ventures.

-William Shakespeare

## ANTOINE LEUZY

I would first like to thank my family for their love and support: Mom, Dad, Corinna, and Robin, I couldn't ask for anything more. To the teachers, Mr. Litvack for always being there early in the morning; Mrs. Manning, for always sticking up for me; Marc and Christine, I'm sorry it took me this long to realize what wonderful people you are; Mme. Werbiski, j'ai toujours apprécié les conversations de table, et entre nous, Ms. Biggs for teaching so passionately. Alexis and Jon, thanks for always being honest friends. To a lot of other people, we've had our ups and downs, but I wish you all nothing but the best.

Those who are not busy being born, are busy dying. - Bob Dylan

## LAWRENCE LIN

My eleven years in Selwyn House have finally come to an end. These eleven years have been great. I would like to thank my parents for supporting me through my Selwyn career and encourage me through the difficult times. I would not have done it without them. I would also like to thank my teachers for teaching not only academics but also the lessons of life. The teachers have their own teaching method, which makes them unique from each other. I would also like to thank my friends for their support and the whole staff, especially Ziad, the greatest chef. Now that I'm going to the outside world, I would like to bring with me the knowledge, and the memories of the good and bad times. My learning has not stopped, and I have still so much to learn.

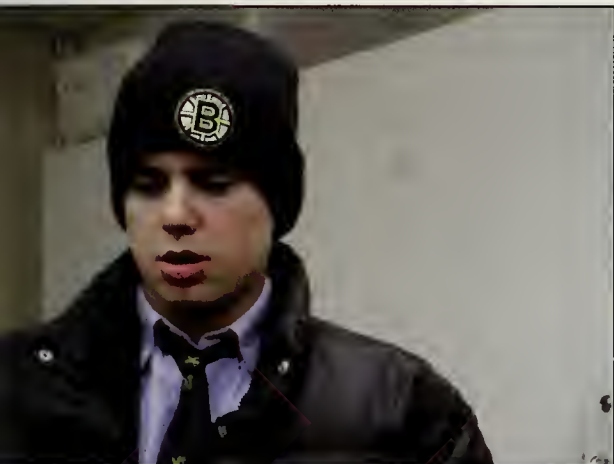

## MATT LITVACK

Two boys sat on a dock, skipping rocks, watching the sun go down. "Where do you look on the horizon?" asked the more garrulous of the two. "To the left, over there," answered the other child. He pointed at a wildly illuminated cloud, awkwardly placed at a far distance from the sun. "You're weird! I look right above the sun—I'd look right at it, but it hurts my eyes." The child paused. "Why do you think we look where we look? I mean, why don't we both stare at the same place?" "I'm not sure. Probably because we've been influenced by different people and things." "Probably."

Two old men sat in a boat, one reeling in a catch, both watching the sun go down. "Where are you on the horizon?" asked the more garrulous of the two. "Almost to the left, over there. I get closer every day." The wildly illuminated cloud was as awkward as ever. "Ha! I hear you! I'm closing in on the sun—I bought these sunglasses so I can stare at it." The other man looked down from the sunset. "Thank you." "Thank you, pal."

Thanks to all those who have influenced my focus on the horizon. I wish you all your place in the setting sky

## SEAN MAISLIN

Selwyn House, the embodiment of a "civil community" which Mr. Mitchell is famed for always bringing to our attention, will always hold a special part in the hearts and minds of graduates for the great friendships and knowledge bestowed by this great institution. To me, the great teachers of Selwyn enriched my mind with course matter and general knowledge that will help me succeed in the future. To KVE, AL and especially PL for instructing me in the disciplines of math. I have grown to appreciate them enough to motivate me towards a career in this area. To my favourite teachers, BM, TN and the temporary replacement RN, for their great wealth of knowledge and always interesting class discussions, I had the best time in my classes. And finally to NAC for the greatest two years of French that were also fun. To my closest friends, MF, PJ, ZG and DM, it's finally over. During my life at Selwyn, sports have always been an important part of my curriculum, from the football team, the soccer team, the hockey team and the rugby team I was constantly busy from season to season. To the amazing coaches that motivated me to learn new things and fostered my passion for sports, MM, PG, MD, TD, SM, DP and SC. A special thanks to my parents for putting up with a lot, while always standing at my side. Through thick and thin you have always been there. To my siblings, Andrew, Jill, Ryan and my dog, Cody, I love you all.

## DIMITRI MANOUSOS

My 5-year stay at Selwyn House changed my perspective on life. It allowed me to mature into the man that I once dreamed of being, someone who my family would be proud of. My Selwyn days were always fun and will forever be memorable thanks to Peris, Munzar, Spencer, Louis, Abibou, Dylan, Zimmer, Luka, Mos, E-Man, Justin, Bloomy and many others. The hours spent at school were full of laughter and enlightenment not only because of friends but also because of teachers such as Mastellotto, Shannon, Litvack, Davaze, Nicoll, Wearing and especially great times with McBride and Glaude. My athletic career flourished with the great athletic staff I was offered in the Selwyn institution. Mr. Maurovich is one for whom I do not know where to begin to show my gratitude for. He showed me how to be passionate for a great sport like football and not only taught me how to unleash the talent I had but also how to think on the field. The Gryphons Senior Football Team went 6-0 in the season, yet fell short in the finals, and nevertheless let it be known... We are the Champions! I would also like to thank Mr. Mitchell, Paoletti, Mike Downey, Tom Downey and Shaw. Finally, thanks to my parents for allowing me to have a great education, to Renata, for always being there when I needed you and how can I forget... my brother. Peace.

## SCOTT MCMURRAY

"As irrigators lead water where they want, as archers make their arrows straight, as carpenters carve wood, the wise shape their minds." ~ Buddha  
Many times over the past 3 years, overloaded with the early train, some gigantic critical essay, or forgotten french oral, I've found myself asking if this whole thing has been worth it. Now, writing my grad quote, I guess I can finally say yes and be sure.

Thank you to my mom and dad for actually getting me to school on time most days, and putting up with me, all the other grads for at making these past 3 years interesting at least, especially Woly for spazing and good times, Basti for homeroom videos under 100km/h, Wathier & Wybo for filling and giving me time in programming, Sooplu for math class entertainment, Kwee & Laurento for intramurals, among other things, and Dyck for actually understanding the west island. Also thanks to all my teachers for good grades and classes, particularly the science teachers for robotics, Ms Biggs for forcing me to write, Mr S. for making English fun, TN for the best History class I've had, AL for the calmest math class I've ever seen, SM and BB for computers, Mopez for multiple bonuses and my highest marks ever, Mike Downey & Colin Boyle for finally blowing things up in Chemistry, and Moffat for rowing and proving Mark Twain was right that "education is the path to miserable uncertainty."

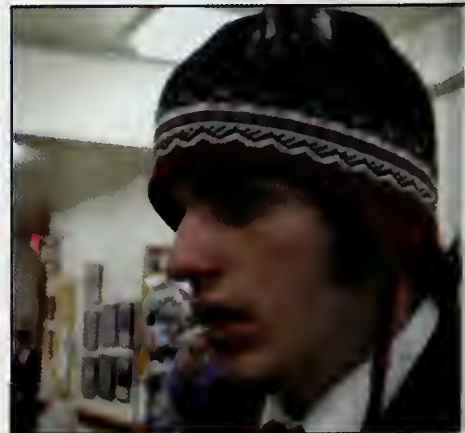

## JASDEEP MINHAS

Jasdeep..jazz..jizz..deep..jd..and yes of course..Minty. These are the names that have represented me in my total of seven years at Selwyn. So now after all those years..and quite a few thousand dollars later..who else can I thank first but my Mom, Dad, big brother and little sister, thank you for everything. I'm proud to say these past years have flown without a shred of regret. And though the academics could not be topped without the help of our unique teachers, the Math, English, Science, History/Geography and of course French department, I'd like to thank you all for everything. Also to let you all know that it has been a privilege to be your student. Zummer, Eman, Geoff D.. 190fizzy boyz.. good times in Vancity. Martin, Abibou.. guyz u've always been there for me..thanks..but it's minty time! Jay, Tsouk + Miguel..u may all be basketball superstars..but I will meet u guys in the NBA. Alexis..Antoine ..the AA enforcement..always there to back me up. And to my boyz Dimitri..Louis, Luka, J-G, Spencer and P diddy(Peris)..all these names but only one meaning....true friends...my real bros..u guys all had my back and I will always have urs.... thanks a lot boyz...for these great memories.

## JONATHAN MUNZAR

Selwyn House has been a second home for me over the last five years, and during my time here, I have made a family outside my own. The teachers and academic program at Selwyn are second to none; however, I believe that it is the amazing coaches at Selwyn that distinguish it the most. And among these, Mike Maurovich has been an outstanding coach throughout seven separate seasons, in all of which we have gone to the finals. As well, Mrs. Biggs, I only met you this year, but I'll remember you forever. Also, thank you to M and T D, BM, and Rob W. Two of the main reasons I have been able to make it through my time at Selwyn have been Tom Spencer and Matt Pens. We've had some crazy times inside school and out. You guys are the best. Hymz, you know we're 12's. Bloomy, thanks for the rides home, you saved me. Geoff, five years and you've always made me laugh. As well, the grade 11 athletes are a great group of guys. You know who you are. Jill, you're my angel and you too have made my grade 11 year a memorable one. Thanks to my parents for putting up with me and always pitching in to help. To my older bro Matt, you've always been willing to help me out and I thank you for that. As well, you did an amazing job in trailblazing for the Munzar trilogy at Selwyn. And B-man, HA HA you still have 2 years left!!!  
Lates!

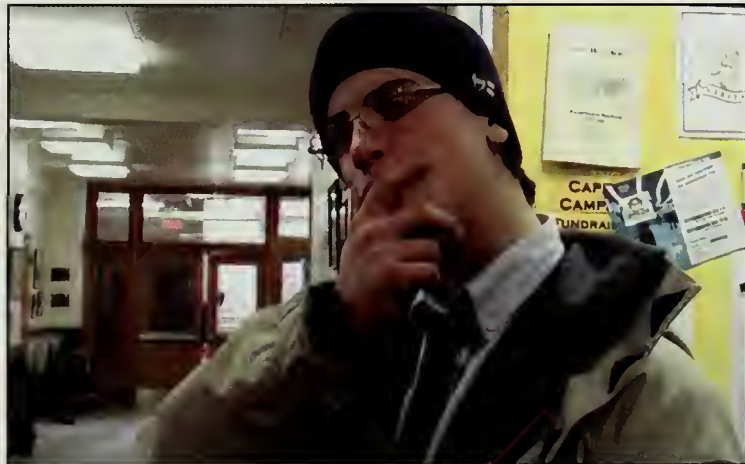

## ABIBOU NGOM

Can you see the pride in the panther. As he grows in splendor and grace. Toppling obstacles placed in the way, of the progression of his race. Can you see the pride in the panther, as she nurtures her young all alone. The seed must grow, regardless of the fact that it is planted in stone. Can you see the pride in the panthers, as they unify as one. The flower blooms with brilliance and outshines the rays of the sun. ~ Tupac Shakur ~

I would like to start by thanking my parents who have supported me during my ups and downs. No matter how much trouble I could find myself in, they always stayed there and supported me. There are many teachers I would like to thank, Ms. Burke, Mr. Decelles, Mr. Litvack, Mr. McBride, Mr. Nicholl, Ms. Biggs, Mr. Moffat and Mme. Rassmussen. You have all taught me something that goes beyond school and I cannot explain how much that means to me. Last but not least, I would like to thank my friends, that have made my stay at Selwyn House more enjoyable than originally planned. We all came as individuals, fighting hard for what we have achieved. Obstacles were set in front of us and we all faught to surpass them. As the next generation in the labour force, we must unify as one, so the flower can bloom with brilliance, and outshine the ray of the sun.

## MARTIN O'DONOVAN

The eleven years I've spent at Selwyn House made this school my second home. Thanks to this school, I'm filled with 11 years of great memories. I would like to thank my parents for all their encouragement and support. Thanks to all the teachers KB, PL, BG, LM, CM, MB, MD, TD, BM, MS, and Mr. Wearing, the high school director I will never forget. All my friends who made my stay at Selwyn House a lot more enjoyable: Litvack, Budd, and Maurice (grade 10- that's all I should say), Abibou- word to your mother, I wanna say what ms. Biggs told us 2 say, Wathier, my supreme tutor, Patrick, Jazz, Justin, Corey, Luigi.. So I'll see pretty much all of you next year at Dawson. Good luck.

## LUKA PAVLOVIC

It is hard to believe that a five-year period of my life is coming to a close. First of all, I would like to thank my parents for their love and support throughout the years. I wouldn't be the same person without my family. Secondly, I would like to thank some very special teachers: PL, PS, MD, BM, NAC, CB, TJN, DP, BG, ED, RW. Thank you for shaping me into a well-educated man. To the boys: Peris, Tom, Eman, and "Ziz, you guys made every day hilarious. Peris and Tom: passing the football around. Eman: "Spanish Project", Grade 11 English/Left Side. "Ziz: Succulent feline sautéed in... Too many good memories guys. Sports trips, boarding at Murray, weekends at Tom's, NFL 2k3, football videos, rafting "trip", o-night at Eman's, chilling with the buds, ECS '02 SC GS JE LD SC, math blackboard surprises, parties, football finals (in my opinion we're still undefeated), nightcapz with Tom, Beaver Lake. Much love to the athletic department and their incredible devotion. Special thanks to: MM, AP, MD, SY, you were the best coaches ever. MM, thanks for instilling a deep passion for the game in me. No props to Math536 for being the worst thing invented, EVER. Also, word to: AL, JB, NT, JM, AN, LS, DJ, ZEUS, and the others I forgot to mention. Class of '03, best of luck! Remember me...

"You cannot teach a man anything; you can only help him find it within himself." - Galileo Galilei

## MATTHEW PERIS

How to summarize seven long years at Selwyn??? Firstly, a huge thank you to my parents and family for your love and support over the years. My gratitude to Danielle and Sue for all the meals, shelter, clothing, and lifts you've provided me with. To all the teachers I've had, you know I really do appreciate the knowledge passed on. Special thanks to: MD, TD, BM, RG, BM, LM, PS, SM Mr. Maurovich, if you only knew how much I appreciate what you've done for me. We've been to the finals just too many times. Good luck with the teams in the years to come. To the 2002 Senior Gryphons, we still made history. Now to my boys: Munzar, Tom, Luka, Dimitri, Louis, and Eman. You guys have been there through the highs and lows, however, mostly high times. Munzy, Grade 9 movies. Spencer, football in Florida. Luka, NFL2K3 and a ...Eman, those stars were trippy. Westmount, the triangle, and Murray Hill Park, what memories we've had growing up there??? The trips together: Boston, St Jean, Rafting, Florida, Spain/London, and all the stuff we got away with. Tommy & Luka, to the dog walking sessions we've had in the park with JM, JJ, DSL, AR, and the countless nights at Jessi E's with Sarah C, Lauren D, Gill S, Mary J, and Sophie C, always a wonderful time. To the grads of 2003, PEACE.

## THOMAS RIGBY

First of all I have to thank those who have helped me complete this first chapter of my life. Mom and Dad, you understood the mind of a teenager as best as any parent can. You provided me with a strong support system, but gave me great independence as well. For this, I am forever indebted to you. Fergus, thanks for backing me up when you had to. Every teacher helped me, but I have one to thank in particular, Mr. Moffat. Your passion about teaching was a pleasure to experience and thanks to you I learned an important lesson about life. True genius lies in individuality. To my boys, I had an amazing three years with you guys. Emanuel, so many good times. Stratford, O-night, RWA stories (those were more torture than fun actually). JZ- In essence, I have really actually known you for 12 years. JazzM-Just don't call him a. We had the best limo and lunch table. CZ- We own Economics. It's time to move on from this part of my life and in doing so I will leave everyone with some advice from my experience. As a pessimist you will have no bad surprises, but as an optimist you will have no regrets. Enjoy life to it's fullest. It goes by very quickly.

## JAMIE RUDOLPH-ZBARSKY

So many years at Selwyn, seven to be precise and five good ones. I've met a lot of interesting and unique people over the years. Lawrence King-Hong Lin also known as Confucius, has said a few things I'll never ever forget "I have no sole", "It hurts when I do this", and "I have plenty of metal in my pockets". Also my good friend Toben once said, "An artist without a girlfriend is homeless." Other people I will remember are Daily Jones and Jeremy Barkun. Ms. Biggs, how can you break both your arms and Madame Allard -Coutu, how can you break both your fingers? Are all good teachers clumsy? You decide! Thanks Mr. Moffat for the bonus marks. Stratford 2002/Rafting 2003 good times!!! The only thing I won't miss from Selwyn is the food and homework. This last year has been great. I don't want to leave, but it's time to go.

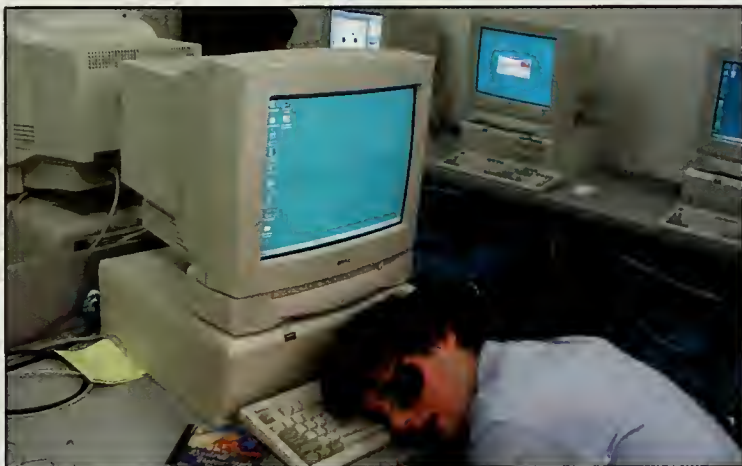

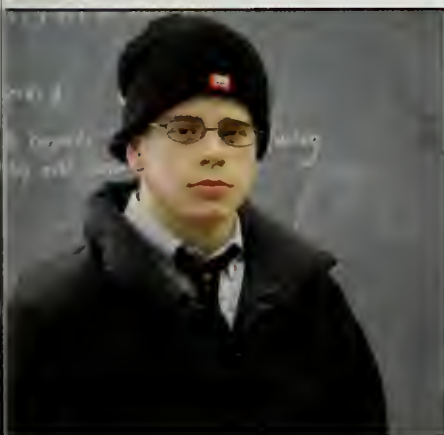

## LOUIS-PHILIPPE SALEH

Selwyn House has been a long and winding road. It has taught me and shaped me as an overall person. These last 10 years of my life have been filled with great memories and experiences. First of all I would like to thank my mom and my dad for always supporting me and giving me hope when I felt down. You guys are the best. Secondly I would like to thank my wonderful teachers for giving me the best education any one could ask for. PS, BMcB, PL, LM, KB, RG, KVE, FK, RM, DP, and finally the Downey brothers who are the best science guys ever. The sports program will always be remembered when I think of Selwyn House. Mr. Mitchell, Mr. Maurovich and all the athletics staff, thank you for making me the athlete that I am today. Finally, school is not the same without friends so thank you to everybody who has been there for me. Selwyn has fully prepared me for the next step in life and I am so grateful that this is the school that I will remember forever. Well it's my time to go, so I leave you with these words: GOD BLESS THE GRYPHONS!!!

## EMANUEL SIMON

As my final days at Selwyn House drift by, I am left to reflect upon the past 5 years of my life. It was a true Halifax Adventure Story. I must first thank my parents for always being there to support and encourage me. Certain teachers here have helped shape the person I am today. Mr. Miskell made the transition to a new school positive, and will always be remembered as a wonderful teacher and role model. Also thanks to MD, TD, KB, PS, TJN, and finally RG for simply surviving our outrageous French class. Much love, appreciation, and respect goes out to my boys, who have been with me throughout all the highs and lows. From the rafting and Vancouver "trips," to the famous O-night at my house, there are so many priceless memories. Tom- we have been through it all together (Stratford, McDonalds, Zamcake- What do we even talk about? Spencer - I will always cherish the conversations at the 536 café. Luka- Attic yakking, leisurely strolls in the luscious green parks. Pens- Our moonlight adventure. Geoff- We aren't sarcastic at all. Jazz- 1904 bathroom will never be the same. Munz- Heat factor of 12 on 10. Binky- You have always been there for me, and I love you for it. Thanks also to all of my other friends: SF, JWPM, SB, JG, MG, JT, CZ, MA, DJ, DM, Bunk 3C.

## THOMAS SPENCER

Finally my time has come. The past 11 years of my life are dedicated to the effort of others. Mom and Dad, I love you, and I really appreciate your support and help over the years, thank you. Ben - I could never have asked for a better friend than you. You have led the way for me from day one, and I cannot thank you enough for always looking out for me. I would like to thank my friends who have always been by my side through the good times and the bad. Bloomy thanks for the long lasting memories. Munzar, Luka, and Petis thanks for the good times: football, hockey, rugby, rafting, French class, and all the late nights, they won't soon be forgotten. Eman thanks for the laughs; I know that no matter the occasion I could always rely on you to put a smile on my face. To my non Westmounters, Louis and Dimitri, thanks for the great memories. To my girls, you've kept my spirits high, and a smile on my face, thank you. To My Grade 10 brothers, have fun and stay out of trouble. And finally to the staff of Selwyn: K.B., M.M., T.J.N., P.S., B.M., C.B. and the Downeys, thank you. To everyone in those championship games, don't get frustrated with the result, you must rather glorify the journey to the finals and always remember the good times that we shared fighting as Gryphons together. "Every new beginning comes from some other beginning's end." -Semisonic & Ben Spencer '00

## NUNO TANG

Wow, 11 years...can you believe that? I still remember the first moment when I entered my Grade 1 class, seeing my classmates gather around Ms. Walling listening to a story. And here I am, typing my grad quote for my final yearbook. I'm going to make this quick: thanks to a bunch of my good, old friends who have helped me throughout these years: L.L., A.W., R.K., M.W., S.M., J.B., J.Z., and others (you know who you are). I'd also like to acknowledge B. Glasspoole, The Downeys, B. Moffat, L. Mastellotto, thanks for making me a smarter and a better person. Though most of us will go our own separate ways, our memory of each other will never be forgotten. To all the lifers: "Man! It has been a heck of a ride."

*"Peace is friendship/ friendship is love/ when you put them together/ it's one big hug."*

-Lina-Mare Leone

## JARED TAUBEN

"Alas the task of putting five years of happiness, friendship and good times into 805 little boxes has arrived." Along this winding journey you have taught me so much SHS, and there are many people to thank for that. My most sincere and greatest thanks go out to all of my friends who have made every day worth looking forward to. It is the times shared in Mr. Glaudes French class, or the Utopia in Mr. Shannon's English class (Bourke is Neutral), why I loved SHS so much. To add to this list is every teacher who has taught me and given me the kick I needed to drive harder. (P.L., R.N., T.J.N., B.M., and E.P.) Mr. Wearing thank you for your guidance and every thing else you let me get away with. Ms. Biggs... you have been the greatest help in many situations, and have taught me so much during my stay. I will never forget you or your wardrobe Mom, Dad, Cary, and the little princess Mattie, thank you for always being there for me, and for all the support you have given me. I love you more and more every day. Big thanks go out to every individual who has inspired me, and influenced my life, creating me. It would be an absolute sin to only thank the above because when all is said and done it is the smiles that I shared with the boys in the halls, the constant jokes with the teachers, and the rewarding laughter after a skit that I will remember and cherish for the rest of my life. Thank you. I'll miss you all.

"Where others see limits, I resolve Empire" -Tiga

## NICHOLAS TSOUKAS

Writing this short paragraph that will one day reflect upon my time at Selwyn House, is a daunting task. The words that follow will never do justice to my true experiences at this school. Eleven years in an influential institution leaves a profound mark on any individual. These important years of transition shape and mold one's life. As a "lifer", I am proud and profoundly grateful to have run the gamut. I have learned, ascertained, or more accurately, absorbed much during this time through "lessons" that cannot be taught on a blackboard, cannot be taken down as notes nor even be studied. Nonetheless, these experiences have created the individual that I am today and have established a solid academic foundation for my future. To all my teachers and coaches I convey my appreciation. Your advice, effort, devotion, understanding and counseling will not soon be forgotten. To my friends, thank you for making my time at Selwyn one I will fondly cherish forever. I thank my parents for their endless support, dedication, and remarkable affection. I am grateful for the opportunities you have provided me with. As I take my last strides across the school gymnasium and reluctantly approach the world outside, I realize that the time has come for me to walk up another set of stairs. I will do so, with a heart filled with emotion and a mind eager to meet the challenges to come.

"The roots of education are bitter, but the fruit is sweet." -Aristotle

## ALEXIS VALLÉE

After 9 years I didn't turn out too be the greatest writer so I'm gonna keep it short. 8:10 was always a little too early for me, and pretty soon it's gonna stop. Thanks to T.N. to bad we couldn't finish the year. P.L. even though I sucked in math you always made me feel welcome (total appreciation on all levels, thanks Sir). And E.D. "Merci pour m'avoir prouver que j'étais capable". To the boys, Snoop Ngomy Ngom, Bloomy, John a.k.a. "The Hat", "The Gloves", "The Due", Johnny C, JG, "The Monkey" Galardo, and the man Leuzy "The Chimney U\*\*\*", the past three years were great. To the memories, I wanna send my love out to all those who helped me through the war, and to those who showed me a taste of the real world (you know who you are).

## MATTHEW WATHIER

A young boy and his grandfather travel through a dark, wooded area. They come across a small pond, it's murky surface unbroken, creating a perfect mirror. The young boy looks into the pond and sees himself, several years from now, the constraints of childhood disappearing. His father's father looks into the pond and sees himself, as a young boy, unbounded by the constraints of adulthood.

It has been said that youth is wasted on the youth. I look into my past and feel remorse for opportunities lost, but at the same time gratitude for the opportunities given to me by those I love. The support given to me by my parents and friends allowed me to break the constraints and overcome obstacles in my childhood. I hope that they will also help in breaking the constraints in my adulthood. From childhood to adulthood, friends and family do not go unnoticed. Thank you.

## JONATHAN WHYTE POTTER-MÅL

There is no such thing as sand. Although when looking on an ocean desert the entity seems quite sincere. Every grain is a different substance, once part of a greater whole. Every fraction is a unique crystal, which has its path travelling and shifting in the tide of the dunes. My existence is nine hundred days from sun up to sun down and from wilt to blossom. What I have learned travelling on this whirlwind path of time, cannot be found in textbooks. There are no definitive solutions, mathematical formulas or even that set directions. Knowledge of past, lands, numbers, language and texts have been cut, compressed, condensed and crammed into my mind. Knowledge is only valid if you have knowledge of self. In these very monotone corridors of colourful souls rapped in regimented innocent black suites, I have learned only one thing in sum. Myself. The freest place in the world is in a prison. These rules, regulations, restrictions and constrictions have defined what I believe in and dared me to mould my own existence. In between these hollow spiritless walls, my soul has evolved. This grain of sand has been metamorphosed and changed forever by my adolescent experiences; influenced by philosophies, failures and peers. For this grain of sand, anonymously unique in the world, the future is uncertain. Mom, Dad, Tonja, Majenta, Nick, Mike, Abibou, Mhuel, Corey, Jon, Mos, Steph, Amy, Mr. McCarney, Ms. Biggs, Mr. Bedard, and in memory. Grandma, you have all proven to me, there is no such thing as sand. Knowledge of Self is like life after death. Apply it, to your life, let destiny manifest - Talib Kweli (K.O.S. Determination)

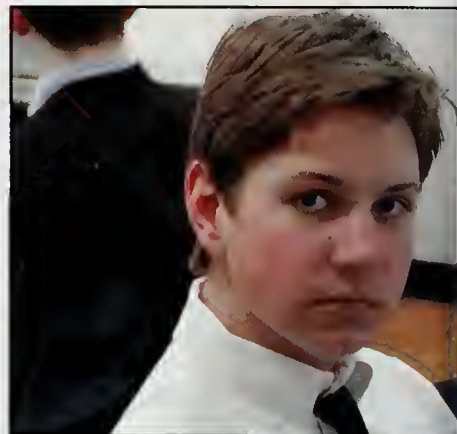

## MICHAEL WOŁOSZYK

Five years is a long time no matter how you look at it. A time filled with triumph, disappointment, anticipation, fulfillment, friendship, scholarship, and any other such word that applies here. Because of my (sometimes unrealistically) high expectations for myself, I put myself through a lot more trouble than I often would have liked throughout my Selwyn career, but in retrospect, I can never truthfully say it wasn't worth it. I would like to thank my parents for their unending love, support and altruistic sacrifice which helped me get the best education they could ever have given me; my teachers for always being there when I needed to know something – you fulfilled your duties as educators unerringly, and for that I am grateful; and my friends, for your advice, help and all the laughter we shared throughout the years. I do not know exactly where I'll be when I read this next, but I can be sure that Selwyn House helped me get there one way or another. Unfortunately, I cannot think of some funny inside joke or memorable quotation to insert here simply because there is nothing at all so monumental as to effectively resume my life for the last five years. I will, however, conclude with this somewhat helpful advice (I didn't actually make this up; some variation of it is in French class): when all seems like it's going badly, swear/laugh and you'll get through it fine.

## ALEX WYBO

Three years doesn't sound like much, but they were important years—years that have, and will, change both my individuality in a continuous search for a higher self-peace, and my views as a newly capable member of society at large. The talented staff of Selwyn House opened the door for a promising future, and for that I am eternally grateful. Before venturing into the hallowed halls of Selwyn House, my educational experience felt like a cultural desert. Then Selwyn turned up the heat (despite the freezing classrooms). There were valuable lessons, and cherishable memories that were made here over the past three years. Mr. Shannon still referred to me as the new kid in my second year, and has yet to return my Macheth test I wrote for him in Grade 9. The science department, especially Tom Downey and Brad Moffat, underlined the importance of questioning everything, and taught me that all I know is wrong. Though I only had him for a year, Mr. Nicoll showed me the importance of history in modern times, and the fascination within such a topic. The English department taught me to write, think critically and figure out a strategy to turn my confused ideas into 2000 eloquent words. Moreover, Selwyn let me beat a drum, hit a birdie, and raise a racket. I had the culinary experience of dining on Selwyn's notorious cuisine and somehow inherited a little brother. Finally, though it was sometimes rather challenging not to let Selwyn interfere with my education, they managed to provide me with one nonetheless. Thanks.

## COREY ZALCMAN

Mom and Dad, your constant encouragement/nagging has proven worthwhile. You were a driving force that pivoted me in the right direction and I will never ever forget that. You guys mean everything to me. I will hold the 7 years spent in this institution very close to my heart. Grads, many of you have made a lasting impression on me thanks to your humour and cleverness. Grover, you are the most kindhearted, loyal friend I have ever come across. I will cherish our friendship forever and will strive to be as easygoing as you are for the rest of my life. Jay, Tsouk, Manny, Zum, Rig, JG, Valboss, Leuz, Fomb, Ceip, Bloom, Jonesy, J Bo, Wazartch, Mais Daddy, Grez, Patty, Odon, Khanna, Bush Monkey, Larry, Fire, Fish, Ricky, Budd, Taub, Mig, Luigi, and even Arne, you have helped me out in one way or another and I am eternally indebted to you. Thanks to the teachers, administration, janitors, crossing guards, etc. I probably got to meet every staff member in this school and each one has left their mark on me. I will be telling my kids about the group hug (or any other random Econ moment with McBride), Larry's quotes, Glasspool's snipgnop sayings, Galardo's book talks and speeches, Shannon's wisdom, and most importantly, any day in McCann's class. Rewards come in different shapes and sizes; mine came in a 7 year gratifying education. "I've never met a man with character who had no enemies." – Paul Newman

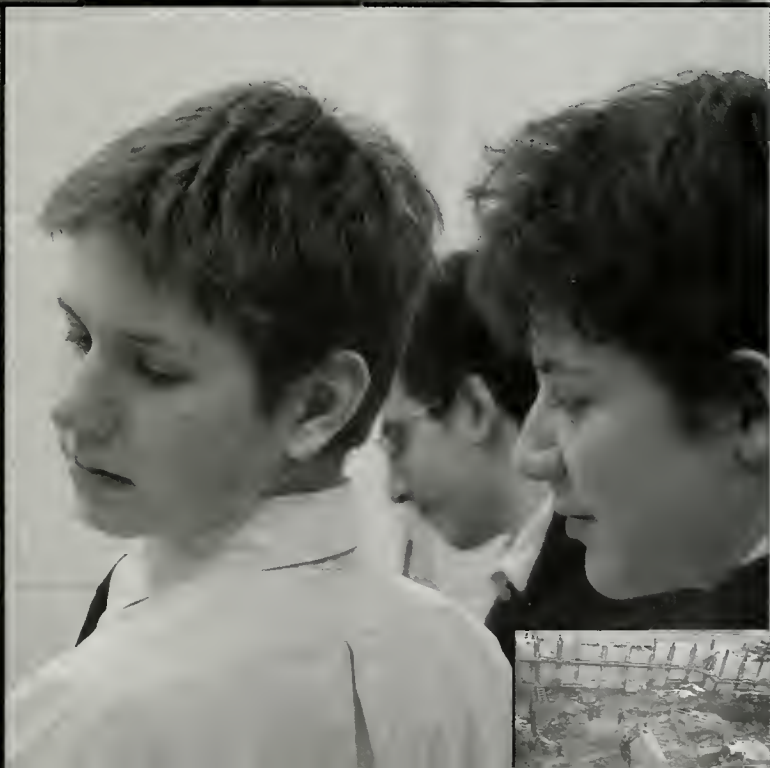

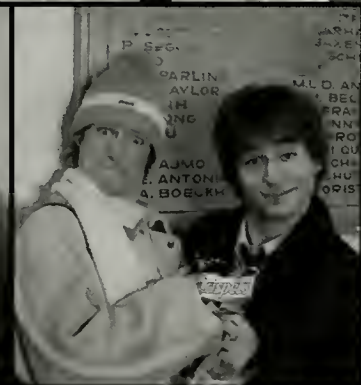

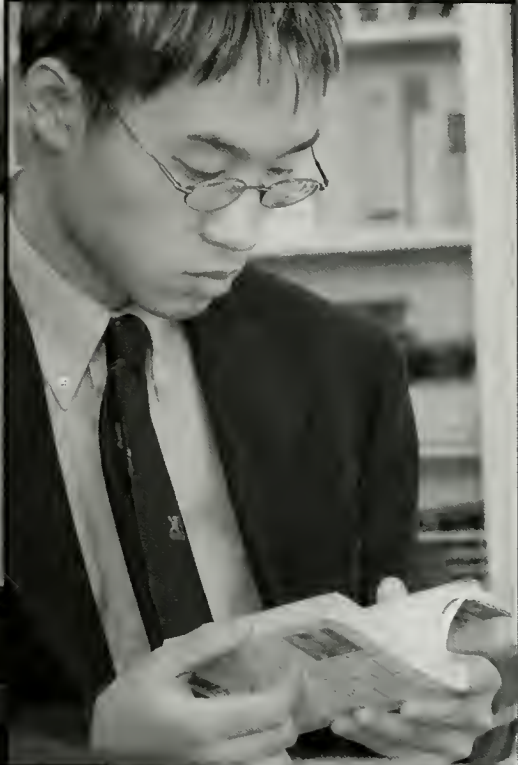

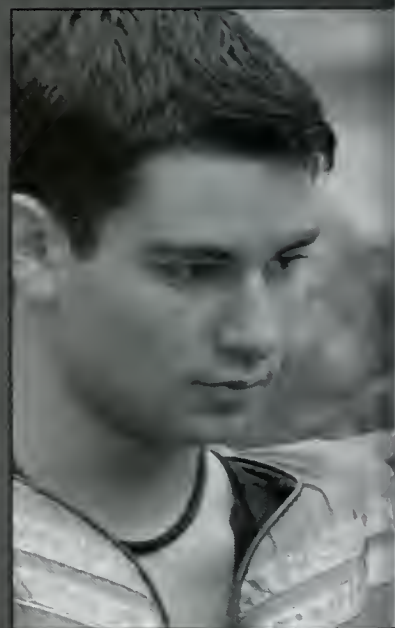

## JARYD ZUMMER

I like to think of Selwyn House as a learning experience along a lifetime of defining moments. Through the sports teams and friendships I have made, these 7 long years have passed me by. First off, I'd like to thank my Mom, Dad, and Britt for all your incredible help and support. To my buddies: Manny, Dylan, Grover, Rigby, Jazz, Geoff, Spence, Bloomz, Munz; My abs have grown so much through our hilarious and memorable moments. Good times. I'll always remember the trip to Vancouver, incomprehensible conversations, backin' up my big hitting D on the ice (MP, TS), habs games, lunch table, freeskiiing, tennis & reality TV, being loud but soft enough, my house, the movies, downtown, the parties, the women. To KB, PS, PL, AL, TJN (you have helped me question my reality), TD, MD, CB, RG you have influenced me in so many ways. MM, AP, PG, SM, you have given me the confidence and determination to succeed in sports, as well as in my lifelong goals. To all my other friends, it's been a hell of a ride. Thanks for all the memories and good luck in the future. So look back on the treasured days/ We were young in a world that was so tired/ Remember how they tried to hold you down/ And we climbed those towers/ And looked down upon our town/ And everything you hoped would last/ Just always becomes your past Remy Zero (Perfect Memory)

# Juvenile Football

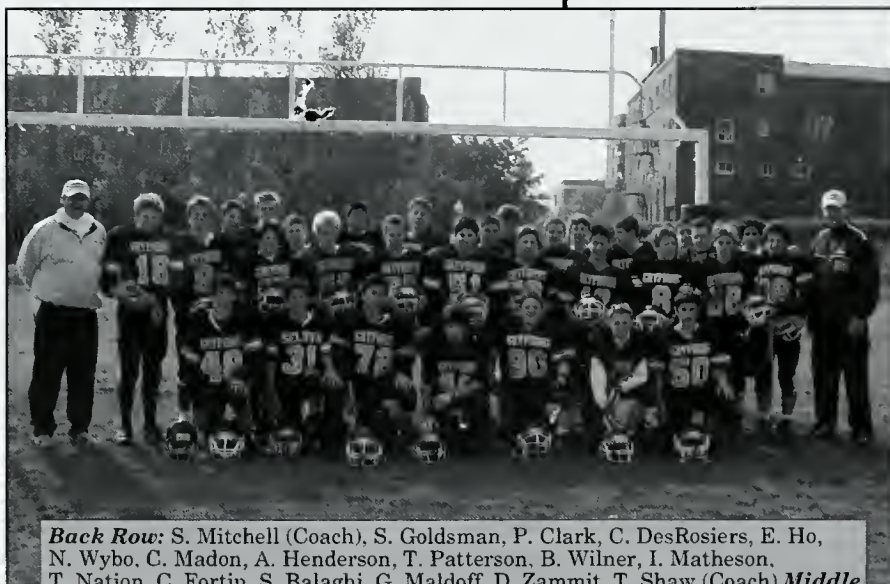

Selwyn's Varsity Football Team began training early in St. Jean, Quebec. With the direction and leadership of head coach Mike Maurovich, defensive coach Mike Downey and offensive coach Tom Downey the team trained very hard to become champions in the pre-season. A special thanks to the other coaches: coach Koch, coach Calwell and coach Young, who greatly increased our skills. Thanks to the experience of returning veterans such as Matt Peris, Patrick Johnson, Dimitri Manousos, Louis Saleh, Tom Spencer and Jon Munzar as well as rookie quarterback Beno Shell-Schnitzer the team enjoyed a very successful year. We had a terrific season, undefeated throughout the regular season in with a record of (6-0). Despite the loss in the championship game the players are to be congratulated.

This year's team made a commitment to improving every day. After a competitive season, the final whistle blew and the Gryphons discovered that they were good enough to be called GMAA

Champions. The final game was a thriller. Buoyed by touchdowns scored by Phil Cutler and Dino Zammit and key interceptions registered by Phil Clark and Eric Panzera, the team won 14-12 against our rival, College Notre Dame. The win avenged a one-point loss to Notre Dame in the 2001 Championship game. Our captains led by example: Casey Auerbach, Phil Cutler, Justin Kuzmicki and Ben Wilner earned the respect of the whole team by modeling outstanding sportsmanship and playmaking skills.

The Gryphons will defend their title next season with many talented returning players all of whom now know what it takes to win. Congratulations to each member of the team who made this season so memorable. Your collective determination and spirit made the difference.

# Grade Seven Football

The grade seven Football team had a busy year playing in several exhibition games and four jamborees. Behind the heavy hitting and fast running of Matthew Kendrick and Zack Martin, the Baby Gryphons made it to the finals in three of those jamborees. The silky smooth running of Adam Crystal, whose moves often left opponents clutching at air, sparked our offence. The boys showed a tremendous amount of poise and passion on the football field, which allowed Coach Boyle and Coach McCarney to not lose any more hair than was necessary.

**Front Row:** P. Tsoukas, W. Molson, J. Zimmer, B. Fombonne, A. Paoletti (Coach), S. Fish, A. Khanna, E. Simon

Led by the spirited coach Paoletti, this year's team progressed throughout the season capped off by their exciting tournament in Vancouver. Studded with proven stars like the skilled midfielders Tom Rigby, Jaryd Zimmer, and Jasdeep Minhas, and backed by the strong defending of veterans Nick Tsoukas, Emanuel Simon, and Arun Khanna, they were able to leave everything on the field. Also, the speedy strikers Jonathan Whyte Potter-Mal and Geoff Dyck helped the team to respectability in the Canadian independent school competition. With heart and a positive attitude this close-knit group proved themselves on and off the field.

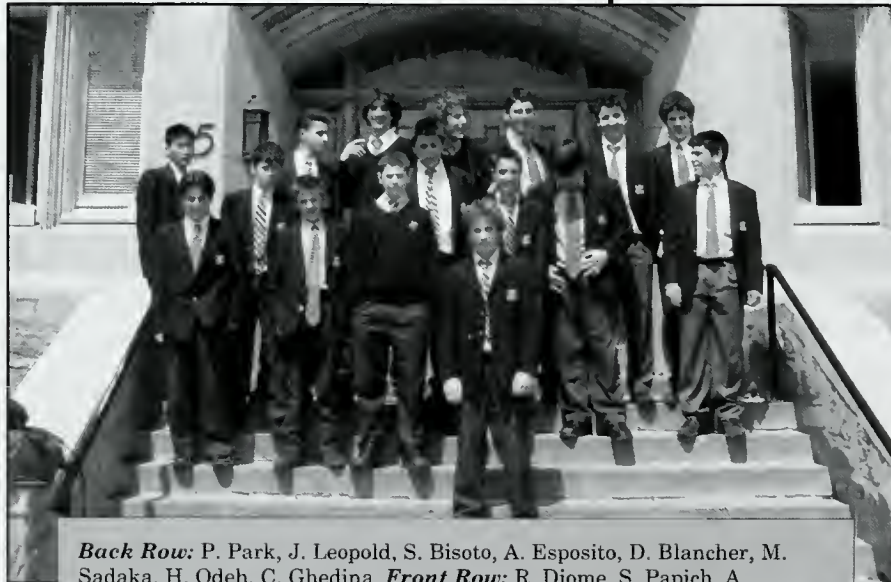

# Midget Soccer

The Midget soccer team completed the regular season with 4 wins and 4 losses. Combined with our exhibition record of 4 wins and 1 loss, we had an overall record of 8 wins and 5 losses. The team was an exciting one as we had considerable offensive potential, and we had our opportunities to win games that we lost. Our 3 captains, William Martin-Chin, Sean Brophy and Justin Tan provided the leadership that allowed the team to jell early in the season and be competitive in all games. Highlights of the year included practicing at Forbes field on field turf, trips to Bishop's and Northwood School. The most exciting game of the year was a 5-3 loss to Riverside Park. We missed great opportunities and found ourselves down 0 at the half. We came back to tie the game at 3 to 3, and then missed a glorious opportunity to go into the lead. Regrettably late in the game they scored on some miscues to loses 5 to 3. Thanks to all the players who contributed to our success this year!

The bantam improved tremendously during their fall season. Many talented players emerged in a season of struggle and learning. This young, but powerful team was lead by

Angelo Esposito, Stefano Bizzoto and Stephan Papich. The goal tending of Mark Sadaka was consistent, with great help from his defensemen: Aidan Bourke, Chris Codina-Lucia. After falling in the Bishop's College School Tournament and losing in the 1<sup>st</sup> round they came back to win the consolation round with great enthusiasm and determination. All this was due possible to the outstanding coaching job of Sean Koch. He lead the team through thick and thin and may not have won, but they had a great time in the process.

## Grade Seven Soccer

The grade 7 soccer team struggled throughout the season against formidable opponents. Led by Max Koenekoop, Dylan Brophy and Raymond Mohsenin, the boys made it difficult for other teams to score. They displayed great promise for the future as they grew together as a team and matured with every passing game. With strong leadership and experience from coach Paoletti, the team improved their skills greatly and will be a team to reckon with next year.

Once again we fielded 2 teams of 21 players, and we were able to play an additional 20 players in our prospect games against LCC. The goal of our season is to play competitive soccer,

involve as many boys as is possible, and to have one of our teams in the LCC Tournament Finals. We were happy to have met all of our objectives as we won more games than we lost, and we placed one of our teams in the Championship finals at LCC. They played an exciting game which was lost in an overtime period. Our other team lost in the Consolation overtime final. On behalf of coach Peters and myself we are appreciative of the efforts of all of our players. We look forward to next year.

This year's rowing team had a competitive spirit and enjoyed the afternoons at the Olympic Basin. With many volunteers, we all improved greatly

over the course of the fall semester. In the one competition that we entered, we went up against men much older than ourselves but still put in a valiant effort and we are proud of our hard work. A big thanks to Mr. Moffat for his unconventional support and his great knowledge of the sport.

# Cross Country Running

This year's Cross Country Running team had a fairly successful year. Despite the departure of many veteran runners from the previous year, the boys worked hard every practice and placed well in the meets. Cory Zalcman, Richard Kwee, Nuno Tang and Vlad Stepanov were this year's runners and they are to be congratulated for a hard-working year.

This year's Cross Country Ski Team had a very successful year. Thankfully, this year we had a good snowfall so we got to ski more than usual. This extra practice paid off as

veteran James Colton finished first in our lone competition. Returning skier Geoff Dyck, as well as Gabriel Maldoff and Daniel Palardy also led us in the competition. All the skiers are to be congratulated on a hard working and fun fulfilled season. Thanks go out to coaches Downey and Moffat for their support and words of encouragement.

# Juvenile Hockey

Facing many Sport-Etude and other talented hockey schools, this year's senior team showed heart and perseverance against much adversity.

Coaches Mitchell and Phillips instilled good values and hard work ethic in the skaters. Backed by outstanding and consistent performances from goaltender Jaryd Zumner, the team fought through injuries and were determined to upset many teams. The big-hitting and experienced defensemen Matt Peris and Tom Spencer, along with the smooth skating and solid Jasdeep Minhas and Sean Brophy. Clutch scorers Dimitri Manousos, Alex Kaluza, Zach Greenberg,

and Casey Auerbach, and aided by the strength of power forward Louis Saleh, the team unit strove for victory. Special thanks to all the parents and volunteers for their continuing support.

# Bantam Hockey

**Back Row:** Mr. M. Maurovich (Coach), E. Panzera, P. Malouf, C. Fortin, D. Friedman, P. Cutler, A. Esposito, C. Codina-Lucia, P. Smith, Mr. S. Koch (Coach) **Front Row:** C. Hamel d'Entremont, A. Mortin, S. Hammouda, S. Balaghi, J. Coviensky, O. Saleh, S. Bizzotto, O. Porte

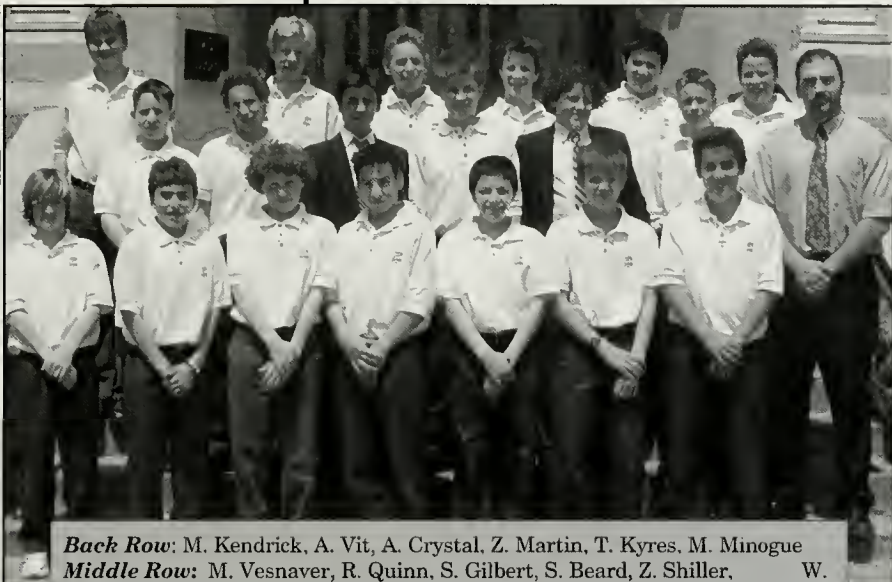

With the intense training of Coach Morovich, the bantam hockey team proved themselves to be a viable playoff team. Led by their top scorer, Angel Esposito and the tenacious play of Phil Cutler

and Patrick Malouf the squad capitalized on their chances and improved greatly. With the defensive help of Alex Morton and Charles Fortin, and their goaltender Oliver Port, the team shut down opposing forces until they were eliminated by the formidable opponent of Loyola High School. All in all, their strength and determination provided the needed backing for a positive season.

## Grade 7 Hockey

In retrospect, the Grade 7 Hockey team, finishing only one win away from the playoffs, had a successful season. It was tough to compete in our particular league because most of the opposing teams are comprised of, not only Grade seven students, but grade eight boys as well. At Selwyn, our team was made up of only grade sevens so we were lacking a little in size and age. The season was successful despite this, however, because the boys played with heart and were "in" every game. Some of the season's highlights include a close one-goal loss to the best team in the league (John Rennie), a hard fought 2-1 victory over Laval (in *their* building), and a couple of come-from-behind victories at the L.C.C. tournament. Thanks for the great season boys! Good luck next year.

The 5 and 6 hockey team had a great record, going almost undefeated this season. This year we even won our own, the Stanislas, and the UCC tournaments. We were actually so strong that our coaches, Mr. Pruneau and Mr. Downey, sometimes told us to stop scoring. We are very proud of our coaches; without a coach you cannot have all the jokes and laughter that you enjoy with one, you cannot experience going to new places, or meeting new people, and most importantly you cannot win a hockey game without one. Mr. Pruneau could, and would do all those things, and more. Not only did we

have *one* good coach, we had Mr. Downey,

who although he didn't talk as much as Mr. Pruneau, still managed to put things in perspective for us, with his deep voice and talent for making everyone around him feel welcome. As some of us graduate from grade 6, we leave behind good memories and leave with improved hockey skills and a love for the game. Thanks for a great season.

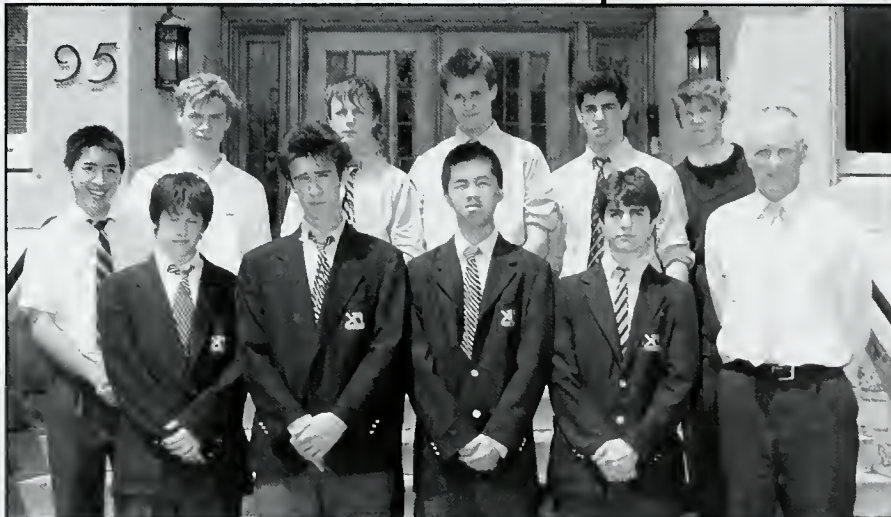

# Senior Basketball

This year's Senior Basketball season was built on hard work and determination. Led by our two big forwards, Luka Pavlovic and Jonathan Whyte Potter-Mal, we dominated the inside of the key. Also led by guards Miguel Burnier and Nicholas Tsoukas, and clutch three-point shooter Michael Grover, other teams had trouble covering our scoring weapons. An improvement from last year's close bid at the playoffs, this year's team made it to the semi-finals where they were defeated by Lauren Hill Academy in a nail-biter. Special thanks to coach Paoletti for his encouragement and insight.

The only word to describe this year's Midget Basketball season is outstanding. Bouncing back from last year's 2-win season, this year they went on to capture the GMAA Championship, the Country D

Invitational Tournament Championship and a birth in the Provincial Basketball Championships. Finishing with a 17-9 record, they had a great mix of experience and talent. Led by veterans Beno Shell-Schnitzer, Jonathan Merritt and Will Molson they dominated the court. Up and coming stars, Phil Clarke and Brendan Munzar, contributed with key points and rebounds. Also with some great defense and offense off the bench were T

Jin Quan and Justin Kuzmicki. All in all

it was a great season and will hopefully pave the road for more championships to come. A special thanks to Mr. Colin Boyle for his irreplaceable coaching.

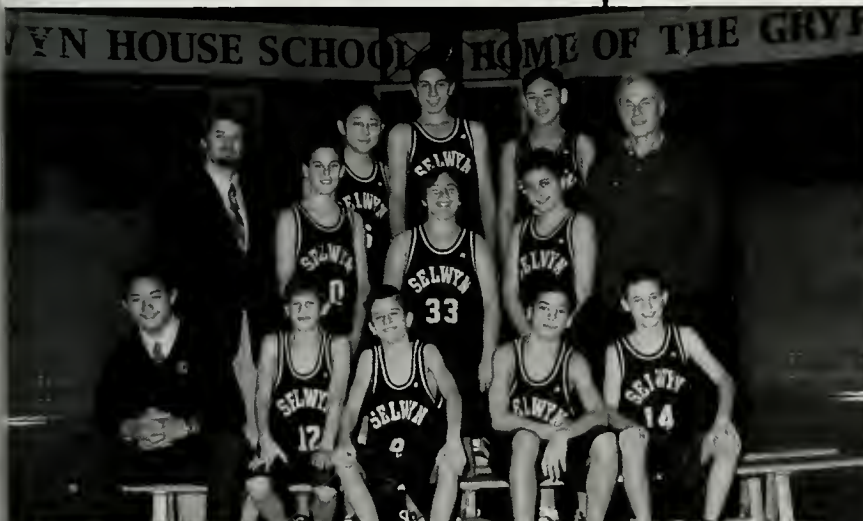

# Bantam Basketball

The Bantam Basketball team experienced its most successful year ever. The team finished the season with a 15-5 record. We experienced numerous highlights, including winning the BCS tournament, winning the WIC tournament, and winning the consolation championship in the LCC tournament behind Mark Sadaka's 51-point performance. Notable wins this season came against Lauren Hill Academy, a basketball powerhouse, as well as three wins against St. Georges, two of which were in tournament championship games. Our half court trap, anchored by Dino Zammit and Brian Lin, was one of the toughest in the league, and our high-powered offence, led by Mark Sadaka's 31 points a game, averaged 52 points. Despite our disappointing loss to undefeated Loyola in the quarter-finals, this was a successful season that saw the boys (and the coaches) have a lot of fun

**Back Row:** T. Shaw (Coach), J. Say, H. Odeh, B. Lin, N. Wybo, M. Sadaka, E. Ho **Front Row:** B. Kornacki, P. Cabana, A. Bourke, S. Tsoukas, N. Cabana, D. Zammit, A. Funamoto, M. McCarney (Coach)

This year's Grade 7 basketball season was one of learning and improvement. Playing in a league mostly dominated by Grade 8 teams, we came to

every game ready to play and face an uphill battle. Our team was led by forwards Dylan Brophy, Julian Beh Pold, and guard Geoffrey Grover. With some key minutes were Raymond Mohsenin and Jamie Bloomfield. The team enjoyed a fun fulfilled season and with many ups and downs. They are all to be congratulated on a great effort this season. A special thanks to coach Govan for the knowledge and experience he brought to the team.

# Grade 5-6 Basketball

The Grade 5 and 6 Basketball team had another great season this year. The boys on both the A and B teams participated in numerous league games, tournaments, and jamborees. A highlight of the season was the trip to Toronto in January. Not only did the boys have fun playing in the tournament at Upper Canada College, they also visited the Ontario Science Center, and had fun touring Toronto with their billets. The team had a very exciting season, as all of the teams in the league were very close in ability. Selwyn House made it to the finals after beating St. George's 48-30 in the semi-finals. The final game was held at L.C.C. against Westmount Park.

Selwyn played very hard, but came up short losing 76-62. The team marked the end of the year with a parent-son basketball game and pizza party. What a fun season!

**Back Row:** M. Boyle (Coach), B. Diemer, B. Gorski, G. Paterson, M.A. Fernandes, G. Rossy, R. Carle **Middle Row:** D. Burrows, B. Dawson, T. Ta, C. Chan, M. Nguyen, M. Pinnell, T. Nichols, J. Heath (Coach) **Front Row:** S. Levy, J. Hanek, K. Paul, E. Burrows, F. Grassi

## Wrestling

**Back Row:** Coach Moore, A. Browman, J. Briedas, T. Rigby, C. Ayas, S. Errunza, J. Benjamin, A. Saksena **Front Row:** C. Wong, S. Sallman, C. DesRosiers, R. Diome, M. Lazar, B. Wilner

The 2002-2003 Wrestling season was marked by a number of very successful performances by the Gryphon wrestlers, and a number of medals. The team competed in 9 dual meets and 6

tournaments. Leading the Gryphons with 4 medals in GMAA and Provincial competition was Christopher Wong, while GMAA Silver Medalists Shawn Errunza and Jordan Benjamin shone at the end of the season, in two very tough weight classes. We were able to place 7 wrestlers on the GMAA All-Star Team this year, including First Team Members Samer Sallman, Anshuman Saksena, Jordan Benjamin, Shawn Errunza and Michael Lazar,

and Second Team Members Christopher Wong and Thomas Rigby. Other tournament medallists this year included Samer Sallman, Ryland Diome, Jonas Briedis, Thomas Rigby and Michael Lazar. As a team we placed 5<sup>th</sup> at the GMAA Championships. The Gryphons look strong next year, with only Thomas Rigby graduating and a promising group of newcomers this year. Mr. Moore is eagerly looking forward to improving on this year's finish.

## Curling

With only three returning curlers from last year's team, it initially appeared that this curling season was going to be one of building talent but not necessarily of winning games. However, the determined and dedicated young team rose to the challenge and the combined efforts of the two rinks had the Selwyn curlers finishing the regular season in first place in the GMAA. This was due, in part, to the experience, patience and encouragement of skips Jeff and Bryce and to the enthusiasm of our new curlers. Though the team was defeated by a mere point in the GMAA finals, the season can be considered nothing but a success. Selwyn finished first and second in their invitational Bonspeil in February; for some curlers it was their very first organized, competitive game. With only Jeff graduating this year, the depth of this team makes the immediate future of curling at Selwyn House School a bright one. Best wishes to Jeff as he moves onto CEGEP and more competitive curling. We look forward to an equally successful season next year.

## Rowing

**Team Members:** R. Rakheja, L. Said, J. Shrier, F. Pantalone, M. Graham, V. Stepanovs, A. Cieply, S. McMurray, M. Wathier, M. Woloszyk

Training for rowing begins while there is still ice on the water, so the weight training room and rowing machines at the Olympic basin are used to tune up the team. The veterans provided support and inspiration to the newer

members. Adam led the team in the ergometer tests and music requests for the radio on the bus ride to the Basin. Newcomer, Max, made the senior team ergometer cut on his first attempt and won the "Most Promise" award at the athletics banquet. Lawrence earned the "Most Improved" award for his consistent power. The highlight this year was a race with Loyola. The Selwyn crew had an excellent start but

caught an oar and immediately fell behind. They were one and a half boat lengths

back, with 500m meters left. Smooth, constant power at the end rocketed them into first place by a nose. Head coach Mr. Moffat would like to extend thanks to Mr. Alex Kuilman for organizing the race and the assistant coaching, Noah Bloom, who coxed and coached the eight, Coaches Liz and Ms. Carol Manning, who handled the novices on the ergs and the singles on the water.

## Juvenile Rugby

Unfortunate injuries and absences of key players plagued this team early and meant that many new players had to assume larger-than-anticipated roles.

It was the manner in which these players contributed that was a personal season highlight for me. They developed more quickly than anticipated and practiced hard. Our forwards tackled with authority and were the strength of the team. Our backs took advantage of opportunities but were lacking some of the skills that have distinguished other Selwyn House teams. Our big game against L.C.C. was disappointing.

We made some serious mistakes in our own end and the ball always seemed to bounce the wrong way. Nevertheless, we continued to persevere and despite no substitute players, we finished the game strong. Regrettably, in our final game we only had 13 players. We "borrowed" players from Loyola. Our forwards once again proved themselves to be one of the better 'packs' that I have coached. Thanks to Old Boys Andrew Horn and Colin (Canada) Robertson for coaching. It was a treat to watch these former players dedicate their time and energy to their alma mater. Thanks to the team for a great year!

**Back Row:** D. Jones, S. Fish, Mr. P. Govan (Coach), L. Pavlovic, P. Johnson, L. Saleh, C. Ayas, S. Maislin, A. Khanna

## Midget Rugby

**Team members:** B. Albright, J. Bahlis, J. Benjamin, P. Delplace, A. Esterson, C. Fortin, D. Friedman, S. Hammouda, A. Henderson, J. Ivaskiv, A. Kaluza, A. Medalsy, J. Moretti-Monpetit, T. Morse, B. Munzar, I. Neilson, J. Rosenstein, F. Sacco, D. Salomon-Lima, P. Tsoukas, C. Vennat, B. Wilner, C. Yee Wong, Coach M. Maurovich and Coach T. Shaw

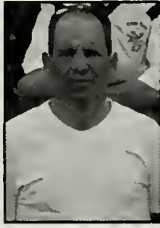

As with all good teams, Midget Rugby saved the best game for last. After losing in sudden death overtime in the GMAA Sevens Final, Selwyn avenged the loss by knocking LCC out of the fifteen aside playoffs with a well fought 12-7 win in Westmount Park. The win sweetened the taste of a bitter season plagued with injuries. The team finished with a 3-2 record; good for third in their division. Special recognition must be given to our MVPs: Justin Moretti, Paul Tsoukas, and Justin Bahlis. Their desire to be around the ball set them apart. In addition, the Coaches' Award went to Brendan Munzar for his aggressive and unselfish play. Mr. Maurovich concluded the season with a short speech that should

not be forgotten. In it he stated: "Next year, come out and bring a friend. Tell 'em we're playing rugby because it is HARD."

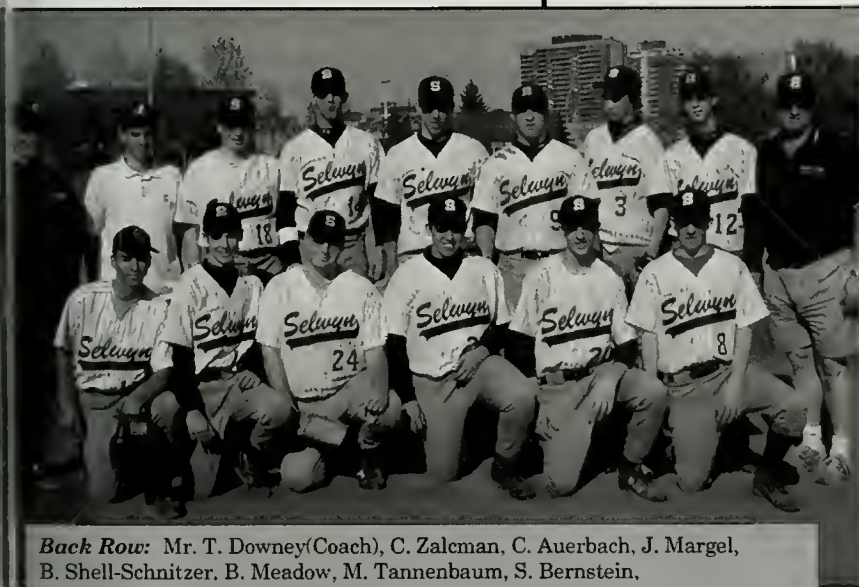

# Bantam Rugby

Bantam Rugby this year was very successful. The boys won a seven-a-side championship banner and finished first in league play. We suffered a tough defeat at the hands of L.C.C. in the semi-finals. The boys displayed grit and determination throughout. Well done to all.

The baseball team showed a lot of promise this year. Sean Bernstein was one of our only graduates and what we lacked in experience: we made up for with youth.

Beno Shell-Schnitzer, Casey Auerbach, Mike Bowey, Ben Meadow. Andrew Reid-Workman gave us a strong nucleus to be competitive. However, the weather forced us to cancel over half of our games. In the games that were played the coaches were extremely pleased with the performance and dedication of our team. We believe next season will be a very exciting year.

# Tennis

The Selwyn Tennis Team served up a solid season this year. We started after March Break going through competition in various round-robins, ladders, and draws to decide who would make the teams in Bantam, Midget, and Open categories. Our first challenge was to choose the four best players of any age to compete in our own annual SHS Tournament; the team of Rich Kwee, Sean Brophy, Phil Clark, and Bryan Wong made us proud by winning the Tournament. Soon after that came the annual GMAA Competition; all 18 boys (three teams of six) played well and tried their best, win or lose. We had some excellent team results: the three teams together tied with LCC for overall most wins, and our Open team (Rich Kwee, Mike Grover, Miguel Burnier, Matt Firestone, Jaryd Zumner, and Bryce Durafour) were silver medalists. Individually, to no surprise, Rich Kwee, who also helped coach some of our players during practices, won a gold medal in Open while Stefan Papich won a silver in Bantam. Coaches Lumsden and Biggs felt the boys defined the essence of "the gentleman's game."

**Back Row:** Ms. K. Biggs, H. Odeh, J. Latsky, A. Zakhari, S. Errunza, Mr. A. Lumsden **Second Row:** J. Leopold, B. Durafour, B. Wong, K. Burrows, M. Burnier **Middle Row:** S. Papich, W. Martin, J. Zumner, S. Brophy, R. Kwee **Front Row:** Z. Rolland, P. Clark, M. Firestone, S. Luu, P. Malouf, N. Thorpe.

## Track and Field

**Front Row:** T-J. Quan, D. Harris, J. Merritt, G. Brown, T. McConnell  
**Missing:** G. Dyck, T. Rigby, G. Kenneally, and J. Say

Competition began for the track team this spring with the Halo Race on Mour Royal on April 30<sup>th</sup>. Those who ran well included Tom Rigby and Geoff Dyck (second and seventh respectively in the juvenile race) and Alex Browman and J. Merritt (fourth and fifth in the midget race). At the Area Meet (semi-final) on May 8<sup>th</sup>, a number of our team members qualified to compete in the GMAA Track Championship held on May 22<sup>nd</sup>. On that sunny day, GMAA Track medallists included Tom (gold at 1500m and silver at 3000m), Geoff (gold at 400m) and Alex (silver at midget boys 3000m). Many of those who participated but did not place at the meet should be proud of their training this season.

Special congratulations to Tom, whose efforts helped him to earn the honour of the graduating class Athlete of the Year and to Vicar Rizvi for being our Most Improved runner this season.

It takes focus to put this book together. Three advisors and a half-dozen students work constantly from September until July (only the committed show up after closing ceremonies).

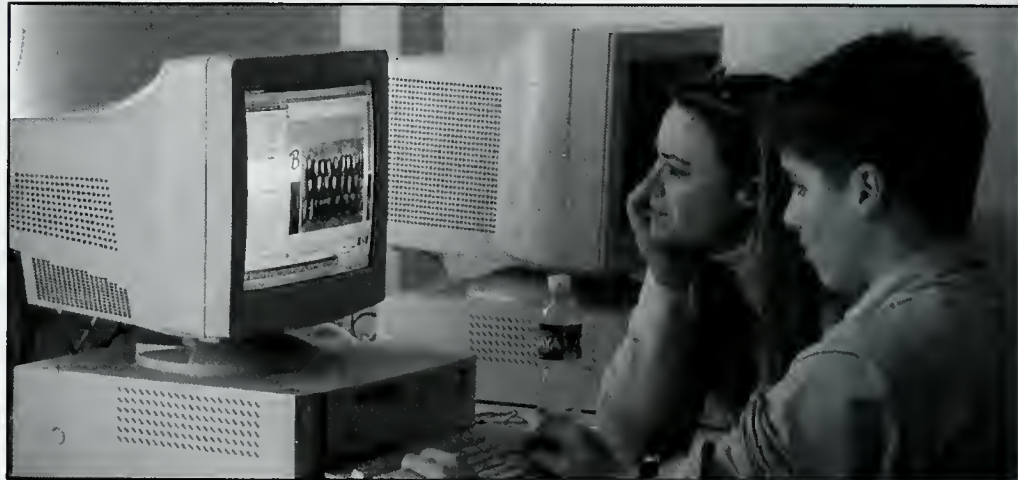

Sometimes you get tied up in your work. Sometimes you get tied up because of your work. Getting a good photo takes lots of practice. Bad pics are plentiful.

Creativity is the key to a good book. Early in the year, Jonathan Whyte Potter-Mäl suggested the idea of the flip book using the construction photos from the timelapse camera.

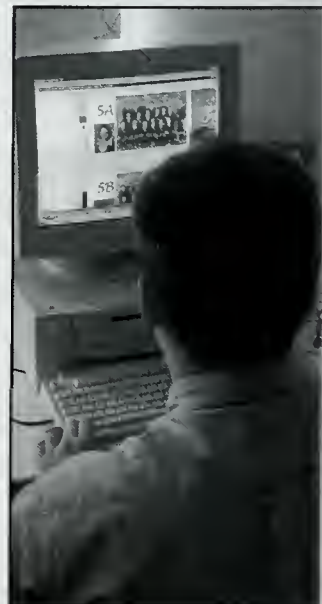

Sorting through the photos takes time a patience. Charles Ayas and Charles Madon Joined yearbook in January and learned the importance of good photos and how to take them.

Jon Bloomfield knows it takes teamwork. He worked with many different people on a variety of sections throughout the book. Sometimes it's easier to do it all yourself, but Jon chose to help other instead.

In the end, you get out of Yearbook what you put into it. There were no Arts Ties handed out for outstanding contribution, but there was enough effort put into this book to make it very good.

**ENJOY!**

It is hard to imagine what the school will be like without Head Librarian, Virginia Ferguson, who retires from Selwyn House after thirty-two years of service. The Geoffrey Wanstall Library on the third floor of the Lucas building has been her "baby" since she began in 1971.

One never had the sense that this was a mere collection of books and CD's. It was a world of its own where the "petunias" grew in front of "Herby" and where the jingle jangle of the jewelry mingled with the whisperings of conversations coming from the library office or from students working.

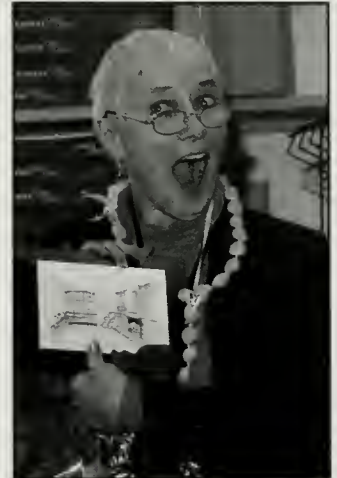

It was a good place to be.

Virginia was the quintessential school librarian. Her story readings brought literature to life for thousands of students.

She became the witch, the dragon, the animal, the friend in need with her expressive voice and dramatic gestures. To help the seniors with their projects, she would swoop over the net and through the reference section, as it were on a "Firebolt" of intellectual power. She was also always there for the staff with her listening ear, her wise advice based on experience, and her irrepressibly zany humour.

She will be fondly missed and long remembered because she gave her all to the school.

## Virginia Ferguson

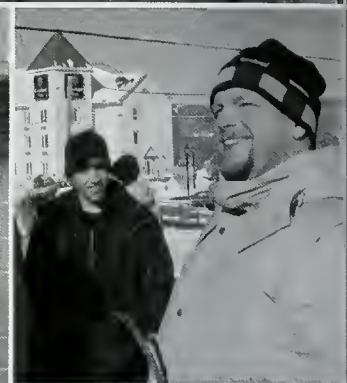

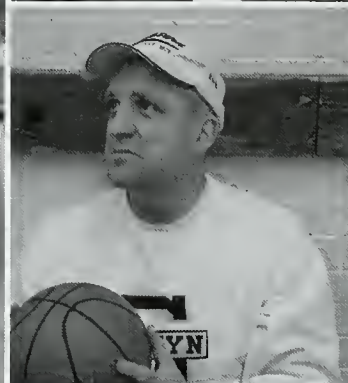

## Elsie Massicotte

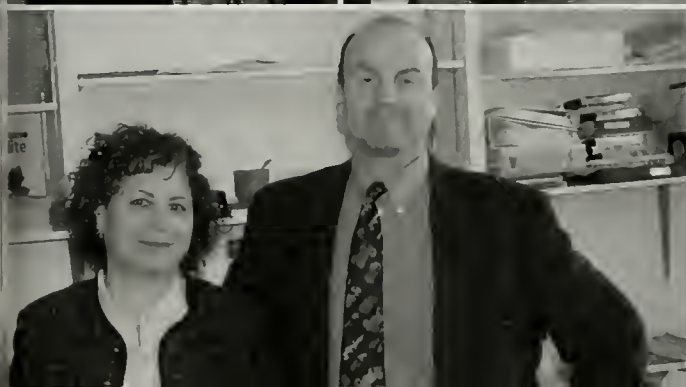

Elsie Massicotte's retirement early in the year caught many people off guard. She had been a familiar and friendly face in the kitchen for over twenty years and suddenly, just as the school year was beginning, she was saying goodbye to us all. It is not hard to believe that she wasted no time in returning to her native Scotland where lunches have become a whole lot more relaxing for her. Thank you, Elsie, for everything you have done for Selwyn House.
